

# UBIRED BUSINESS

UbiRed Business is an off-net connectivity solution based on NEBA's regulated service. NEBA is provided nationwide through Telefónica's GPON network, for nearly ubiquitous coverage in Spain, serving more than 20 million users.

## SERVICE FEATURES

- Ethernet services (e-access in Access EPL and Access EVPL modes) with transparency and MEF 2.0 compliance
- Intermediate solution between dedicated circuits and SD-WAN
- Six capacities available: 100, 200, 300, 400, 500 and 600 mbps
- Service available with or without IP transit

## ADVANTAGES

- Nationwide coverage
- Provides connectivity to the regional delegations of large companies, or as dedicated main circuit backup
- Optimum solution for SMEs
- Automated online activation service, for both supply and incident management
- Rapid service deployment
- Service available for the system integrator segment
- One-stop shopping for international operators with limited networks in Spain
- 24/7 management and maintenance by our NOC
